

Confidence Learning Center 2008 Holiday Wish List

Each year Confidence Learning Center publishes a Holiday Wish List of items that are needed to off-set the budget for the operations of Camp programs and activities, office functions and general day-to-day operations. There are many local businesses and companies that CLC partners with to operate Camp and its programs. Contact us at info@campconfidence.com or your favorite business and they will be glad to assist you in purchasing a Gift Card toward Wish List items, purchasing a Gas Card, buying specific Wish List items on this list or inquire about placing a credit on our CLC account (where available).
