

Confidence Learning Center

WE INVITE YOU TO OUR 12TH ANNUAL CHARITY 4-PERSON GOLF SCRAMBLE IN MESA, AZ.

Located in the beautiful Brainerd Lakes Area of Minnesota, Confidence Learning Center is an outdoor recreation experience for persons of ALL ages with cognitive and developmental disabilities. Through the life of this golf tournament, we have been able to donate thousands of camper experiences at Confidence Learning Center.

The programs at Confidence Learning Center are aimed at promoting self-confidence and self-esteem, and the necessary skills to become full, contributing members of society. **The campers achieve this through active “hands-on”, activities and participation in a variety of outdoor experiences.** The staff can provide activities in outdoor education and recreation that are not or cannot be offered in their local setting. Over the years, thousands of individuals have experienced personal growth while participating in educational programs which include archery, cross country skiing, canoeing, and fishing just to mention a few. Such activities as the Confidence Course allow campers to challenge their limits and prove themselves to the most important person of all, themselves.

Campers are brought to Camp by their staff, family, or care giver, which is responsible for their direct care. The typical overnight group stay is two nights; however, longer or shorter visits are available. Visiting groups include group homes, families, public schools, state facilities, treatment centers, achievement centers and scout groups. Coming to Camp helps basic living skills through planning, preparing, cleanup of meals and care of campsite or cabin. Camp provides facilities and equipment, as well as several program specialists and college interns to assist the groups with activities and programs.

Confidence Learning Center is a 501(c)3 nonprofit charity in its purest form and receives no federal, state, or local tax support. Nor does any religious group, college, scouting group, service organization or any other group act as our “parent” sponsor. Camp has a collage of individuals, families, corporations, service clubs and small businesses that help Camp develop a 140-acre year-round camp for persons of all ages with developmental disabilities.

Put on by volunteers, and golfed by those that love to golf, enjoy the outdoors, and raise money for a great cause! To join our event, simply fill out the attached form! We look forward in golfing with you February 25th, 2024!

Sincerely,

John Tobie
